

## **GIRLS FOOTBALL FEEDER GROUP**

Girls, are you interested in playing football or just curious to see what it is like, and then why not come along to Kewford Eagles girls only feeder group. There you will enjoy playing football with one of the largest and friendliest clubs in the area. All coaches have a minimum Level 1 coaching badge, all have been CRB checked, and all have passed Child Protection workshops and are First Aid qualified. We run a fun training session, with the emphasis being on participation and FUN.

The success of the girls feeder group has grown year on year, we now have 6 girls teams and the number is growing, most of the players have come through the feeder group and the success of the teams is increasing.

The sessions will run throughout the season, with the exceptions of Bank Holiday weekends, and the intention is to form new teams to play in the local league for the following season. We already have a qualified coach, who will manage and run a team next season, he will organise and coach the sessions this season. We have girls teams at all other age groups and there are always places available, please contact Jason Bennett (Girls and Ladies Secretary) for more details.

---
